

SCHOLARSHIP 2022

WHO IS ELIGIBLE?

Students and Non-traditional students are eligible to apply.

- A Student is defined as a graduating high school senior in the 2022 graduating class.
- Non-Traditional Students are defined as any students over the age of 25 that have a high school diploma or their GED and are now seeking a degree or returning to complete their degree.

All applicants must plan to enter college in the next academic year (2022-2023). Evidence of enrollment in an accredited college, technical school or university must be submitted before award payment will be made to the award recipient.

HOW WINNERS ARE SELECTED?

All entries will be reviewed anonymously by a diverse panel that may be comprised of a combination of senior management, teachers or principals, staff and/or board members of TRUE Community Credit Union. During the judging process, all entries will bear no identifying marks or symbols which show either the contestant's name or the school they attend. Applicants may apply only once.

The principal determining factor in selecting scholarship recipients is the applicant's response to the topic. The following criteria in judging the essay response will be **organization, language use, originality, clarity, spelling, punctuation, sentence structure, comprehension and expression of the topic.**

All scholarship recipients will be selected without regard to race, religion, or gender.

AWARDS

Based on the number of entries, TRUE Community Credit Union will determine the number of scholarships that will be awarded. A maximum will be set at 5 with a minimum of 0 should applicants not meet the expectations set forth in the requirements or satisfactorily responded to the topic. The total amount awarded shall not exceed \$5,000.

Scholarship recipients will be contacted before May 2022. At the option of the credit union, the awards will be paid (1) to the recipient, through a transfer to their Share account (2) or directly to the educational institution in which the student is enrolled. This award is to provide financial assistance to the recipient in their pursuit of an undergraduate degree. The award money

shall be used for the student's tuition, fees, books, or other school supplies. Awards will be paid out at the beginning of the academic year or sooner.

The awards are intended to constitute qualified scholarships exempt from federal income tax under Section 117 of the Internal Revenue Code of 1986, as amended. Use of the amount for purposes other than those noted may jeopardize tax exempt status. If tax liability arises, it will be the sole responsibility of the recipient. TRUE Community Credit Union shall maintain records, administer, and provide all necessary staffing for the TRUE Community Partnership in Education Scholarship program.
