EASY STEPS FOR DRAFT RECONCILIATION

- On your duplicate draft copy, mark off with a large check (√) each entry that matches a paid draft shown on your draft statement
- Make sure that other charges or deductions shown on the statement have been subtracted from your draft register balance... and that all deposits (and other credit items, if any) have been added
- 3. List under the "Drafts Outstanding" all duplicate drafts not showing a large (√). These are drafts you have issued which were not paid by the credit union or previous to the period covered by the statement.
- Fill in the "Reconcilement Form" to the right. After "proving" your balance, fold statement and file it with the copies of paid drafts for possible future reference.
