

Cycles for Michigan Made Checking Reward

Shown below are the cycles for the Michigan Made Checking account. Your Monthly Qualification/Reward Cycle is different than your statement cycle. Please refer to your account’s Truth In Savings disclosure for details on your Michigan Made checking account. To qualify for your account’s rewards, all of your account qualifying transactions and qualifying activities must post and settle to your specific Michigan Made Checking account within the Monthly Qualification cycle dates outlined below. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning your account’s rewards. Account transactions and activities may take one or more days to post and settle to the account and all must do so within the Monthly Qualification/Reward Cycle in order to qualify for your account’s rewards.
