GROWING A BRIGHTER FUTURE FOR MEMBERS

TRUE Community Credit Union is excited to announce a successful merger with Parkside Credit Union! As the new year unfolds, the combined credit union is set to provide members with enhanced services, foster deeper community relationships, and continue its commitment of financial excellence.

Together, we will continue to thrive and expand our presence with 15 branches located in Jackson, Wayne, Washtenaw, and Ingham counties. We will retain the name and brand of TRUE Community Credit Union, and all employees from both credit unions continue to serve members.

SHOW ME THE MONEY!!!

One of the New Years resolutions that I hear is "I'm going to do a better job of keeping on top of my financial investments." Well, one way to start the year out right is to take inventory of the investments you have forgotten about. Where is your old 401k from two employers ago or who is helping you manage the old IRA that you set up several years ago and you can't remember who it is with?

Please give us a call and we can help you with your investments and your investment goals. For a free no obligation appointment, **contact me today at terry.french@lpl.com or 517.784.7101, ext. 4128.**

The Interchange Payment System Benefits Consumers

Interchange fees not only protect consumers from data breaches by helping cover the cost of fraud detection, credit monitoring and fraudulent purchase protection, but they also support affordable access to credit. Changes to the current system would give more power to retailers, while increasing risk for consumers, small businesses, and credit unions.
