

WHAT'S MY NET WORTH?

Your net worth is a snapshot of your financial journey and the foundation you're building for the future. Calculating it helps you recognize your accomplishments and identify opportunities for continued growth.

Complete the chart below with your assets and any outstanding loans, even if there aren't assets attached. This gives you a full financial picture. Remember to include: home, vehicle, retirement savings, 2nd properties, boats, student loans, personal loans, 401k loans, and balances in savings accounts. Check out the example on the next page.
